

`std::length_error`

```
graph BT; A[gnuplotio::plotting_empty_container] --> B[std::length_error]
```

A diagram showing a relationship between two C++ identifiers. At the bottom is a grey rectangular box containing the text `gnuplotio::plotting_empty_container`. A blue arrow points vertically upwards from the top center of this box to the bottom center of a white rectangular box at the top. The white box contains the text `std::length_error`.

`gnuplotio::plotting
_empty_container`
