

CltTester::test

```
graph LR; A[CltTester::test] --> B[Statistics::variance]
```

A diagram showing a call from the `CltTester::test` method to the `Statistics::variance` method. The `CltTester::test` box is white with a black border, and the `Statistics::variance` box is gray with a black border. A blue arrow points from the left box to the right box.

Statistics::variance
